CityLink is the public transit system for the City of Abilene. CityLink offers an affordable transportation alternative for the citizens of Abilene. It is our goal to provide this service safely, efficiently, courteously and in the most professional manner possible. CityLink is managed and operated by contract with McDonald Transit Associates, Inc.

CityLink provides several types of transportation services. The three principle types of service are: fixed-route bus service, ADA paratransit service, and demand-response evening service.

Reduced bus fares are available for the elderly and persons with disabilities with a CityLink Identification card. Identification cards may be obtained at the CityLink Station at 1189 S. 2nd Street. Elderly persons must present proof of age. Persons with disabilities must provide evidence of their disability from a licensed physician or a local social service agency representative. There is a \$2.00 charge for the I.D. card.

We welcome your comments and suggestions about our transit system. Please call us at 676-6BUS or 676-6287 (TDD 676-6401) if we can be of assistance to you in any way.
