Dear Trey,

This letter serves as recognition of your continued appointment as a College Associate Professor in the Department of Art and Design for the 2021 - 2022 academic year. Based upon the recommendation of the Provost and in consultation with Dr. Eric Gumm and Mike Wiggins, I am reappointing you to a three year term: 2021-2022 through 2023-2024.

Your teaching load will split between Art & Design and General Education, where you will teach two classes for Art & Design and two CORE courses each long semester – generally two sections of CORE 110 (Cornerstone). You will be expected to serve on departmental and university committees as the need arises and to meet the expectations of faculty members according to the University Faculty Handbook.

I am grateful for your engagement with our students and for the energy and excitement you bring to the classroom.

Please let me know if you have any questions or concerns. Otherwise, I wish you all the best for a successful Spring Semester and look forward to our continued work next year.

To confirm your acceptance of this letter for the 2021 - 2022 academic year, please sign in the space provided below and return the original to my office by Friday, February 12, 2021. One copy is for your files.

Sincerely,
