What did the instructor do that made his/her teaching effective?											
Dr. Sutherlin explained all the material very well and was always available to answer any questions and explain the material.											
Very enthusiastic.											
Gave notes and explained everything thoroughly											
She wrote big chemistry words in terms I was more familiar with and encouraged participation when we were all tired.											
She gave us good notes and the quizzes and homework really helped for the tests											
She is very passionate about the subject she teaches so it made a subject that is not very easy to understand more interesting.											
She made class fun and interesting											
Really pumped about chem											
Very enthusiastic											
Love the way you teach. I can understand and enjoy the class.											
What could the instructor do to improve his/her teaching effectiveness?											
Nothing											
More explaining											
Make her questions during lecture clearer.											
More notes on PowerPoint											
More activities											
Nothing											
Write any additional comments that you would like to make.											
She's so funny!											
Good teacher!											
Awesome!!
