What did the instructor do that made his/her teaching effective?									
Explained in multiple different ways for different types of learning.									
Gives real life examples so that we can better relate the material and remember it. Explains material very well!									
She lectured by writing notes on the board and explained it very well. Not just using a PowerPoint.									
Was very funny and enthusiastic									
She used everyday examples to help better explain the subject material and she constantly asked the class questions and always encouraged class participation and questions and never made us feel stupid when we asked a question of gave a wrong answer. She also made her self very available to students.									
She explained things in a way that was easy to understand									
She is very compassionate about the subject and made that clear when teaching!									
She was very interesting to listen to. Made the subject of the day seem fun to learn about. Always had a good attitude and wanted us to try our best.									
Though she wasn't as enthusiastic as other professors, she used a lot of humor and made the class interesting									
She explained the material in a way that was less complex than the material actually was, which made understanding much easier.									
Easy to take notes and follow along with. Stopped a lot to answer questions									
Well organized notes, explained concepts in easily understandable terms									
Sweet, understanding, patient									
She knew her information and was excited to teach it. She always explained clearly what she was teaching and always reemphasized the important aspects throughout the next several classes.									
She explained everything thoroughly and always added fun/crazy facts about molecules and stuff, which helped me learn because it helped me remember an helped me realize that this really is relevant to my life by knowing how all this stuff works in my body.									
she was very enthusiastic about the subject									
Having straight forward notes and homework.									
What could the instructor do to improve his/her teaching effectiveness?									
Be more sensitive									
Offer group test study sessions.									
No complaints! She did an amazing job! If I get the chance to I will take another class from her!									
Less rambling though it is entertaining									
Nothing she is perfect!									
Write any additional comments that you would like to make.

One of the best professors I have had while at ACU. I would take her again for any class!

Great teacher! Would and have recommended this teacher to other students.

She really tried to help students in any way she could.

Dr. Sutherlin,

You are phenomenal teacher and have made this first year a blast! Thank you for everything you do!!

One of the best teachers I've ever had

Enjoyed taking your class!

She is my favorite professor! She is awesome!

I enjoyed the class and learned a lot. She is a great teacher.
