

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

Helped students outside of class

18. What could the instructor do to improve his or her teaching effectiveness?

improve handwriting on projector
I had a hard time copying notes
b/c I could not read handwriting

19. Write any additional comments or encouraging notes you would like to make.

Great professor

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

- notes on powerpoint so could access them later if had questions
- quizzes on Wed so had to study before test
- explained course material well

18. What could the instructor do to improve his or her teaching effectiveness?

19. Write any additional comments or encouraging notes you would like to make.

- willing to help outside of class
- any questions

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

Taught the material and tested students after to see if they understood

18. What could the instructor do to improve his or her teaching effectiveness?

19. Write any additional comments or encouraging notes you would like to make.

Perfect teaching

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

IDK what it is but I understand everything more easily from you than I did with Reeves.

18. What could the instructor do to improve his or her teaching effectiveness?

19. Write any additional comments or encouraging notes you would like to make.

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

knows Biochemistry almost like the back of her hand.

18. What could the instructor do to improve his or her teaching effectiveness?

- use a electronic writing board that is more easily readable on the powerpoint.
- not have class right after Raquel's lunches. lol. good thing that won't be a problem next semester.

19. Write any additional comments or encouraging notes you would like to make.

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

Knows material and can answer any student questions accurately. Knows where students typically mess up and forewarn them about these trouble areas.

18. What could the instructor do to improve his or her teaching effectiveness?

Keep teaching abroad every couple of years

19. Write any additional comments or encouraging notes you would like to make.

Semester was great!

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

She drew figures & took the time to explain things so they made sense.

18. What could the instructor do to improve his or her teaching effectiveness?

Maybe have a few more homework assignments to let us have more practice.

(I just wrote this to fill the space. I don't mean it!)

19. Write any additional comments or encouraging notes you would like to make.

I loved study abroad! Taking Biochem down here made it so much more interesting & fun!

STUDENT COMMENTS: In your opinion.....

17. What did the instructor do that made his or her teaching effective?

Autumn is able to come down to our level and walk us through the subject matter one step at a time.

18. What could the instructor do to improve his or her teaching effectiveness?

Nothing really.

19. Write any additional comments or encouraging notes you would like to make.

I would have to say that Autumn is by far the best Professor I have had in the ACU department and I am thoroughly impressed with her as a professor and as a dear friend. ☺.

¡Te amo mi profesora con todo de mi corazón uniguayo!
