

Dear Dr. Sutherlin,
I just wanted to write you a note thanking
you for all the help and patience you put
into my application process. You didn't have
to put as much effort into assisting me, but
you did, and I truly appreciate it all.

I will be studying social insect systems and
genetics at GA Tech, and (honestly) couldn't
have done it without your help. Thanks
again for seeing hope in me and giving
me so much invaluable guidance.

sincerely,
Karl

ps. Sorry for the handwriting
(both now and in the past)
