

Lindsey Hannah

May 7, 2012 

I don't know that a single week has gone by since I started med school that I didn't think about how grateful I am for having such great biochem teachers - Dr. Autumn Sutherlin and Dr. Sarah Lee- as well as all my other professors and mentors at ACU. I could not have asked for a better undergrad or a better premed program to help prepare me for med school, and I am beyond thankful for that
