

Dr. Sutherland,

Thank you so much for writing one of my TMDAS recommendation letters this past semester. Your help, advice, talks, and friendliness mean so much to me and it has been great getting to know you over the past three years. Three summers ago I had no clue that my cool, laid-back UIO professor would become one of my favorite, most-respected professors at ACU. The way you have always taken genuine interest in our lives, inside and outside the classroom, and how you are willing to talk about anything with your students, is something I admire and always will about you. I hope Costa Rica, along with the end of your summer, is amazing, and thanks again for everything!

Sincerely,
Jake Hutto
