

April 18, 2012

Dear Autumn,

Thank you very much for all of your help with the ACU Undergrad Research Festival again this year. It is such a blessing to be able to rely on you for advice and assistance. You always go beyond the normal call of duty to serve in many ways! Our success this year (and every year) is due in large part to your great work on the Judging and Prizes Committees.

With Gratitude,

Neeg Bruell
