Adams Center Faculty Enrichment Participation

Autumn Sutherlin

Dear Autumn:

Since 1906, ACU's mission has been to educate students for Christian service and leadership throughout the world. We want to thank you for your effort in helping achieve that mission by participating in Adams Center faculty enrichment events over the past year. Your attendance at the following sessions played an important part in moving this university toward being a premier university for the education of Christ-centered, global leaders:

Tips and Tricks for a successful Internal Grant Application - January 16, 2014

LMS Selection Committee - April 30, 2014

Tenure and Promotion--The New Digital Guidelines - May 2, 2014

Spring Fling Salad Buffet - May 5, 2014

It is through your contribution and continued willingness to share various learning skills, thoughts, and experiences with fellow faculty members that we move forward. We are looking forward to a new year with exciting new sessions on teaching and learning, diversity, educational technology, and much more. Please let us know additional ways in which we can support your efforts in the classroom and across campus. If you have any session ideas or would like to speak on a particular topic, please let us know how we can assist you in that endeavor.

Sincerely,
