Dear Professor Young,

KUDOS TO YOU! I am pleased to inform you that you have been recognized by one or more of your students this past year as having made a distinct difference in their lives.

This recognition stems from a questionnaire that scholarship recipients complete along with their gratitude letter to the donors of the endowments that funded their scholarship(s). Embedded in that questionnaire is a statement for them to complete that reads, *"An ACU Professor who has impacted my life in extraordinary ways is..."* and that's where YOUR name was mentioned; this is what they wrote:

"I don't even know how to choose one; the three professors that I have worked closely with (Kitty Wasemiller, Ronnie Rama, and Brandon Young) have all been a beacon of encouragement throughout my years here at ACU. I graduate in May and I feel like the wisdom and guidance (spiritually and intellectually) from these three has equipped me to take that next step of life into the real world."-Morgan Hudson

I can't think of a higher compliment than to have one of your students applaud you straight from their heart. It is clear that you are doing exactly what

God intended. ACU is extremely blessed to have you representing Christ's love to students on this campus.

Thank YOU for being an important part of "The ACU Difference".

With sincere appreciation,
