Scholarship

Scholarship/Creativity Goals for the Year (completed by June 1 by faculty member)

1. Develop new curriculum for pre-architecture program looking ahead to the development of pre-professional Bachelors degree
2. Develop a furniture design course to provide hands-on experience in design at a manageable scale
3. Pursue interdisciplinary collaborative focused on sustainable development, technologies and practice as it applies to the built environment

Reflections on Goals (completed by March 1 by faculty member)

Chair's Evaluation of Goal Completion (completed by April 1)

1. Made great strides in this area with the development and approval of a new drawing course and revised curriculum for the pre-architecture degree. Remainder of the new two-year design foundation sequence will go to academic council next fall based on approval and support of the dean.

Comments:

Brandon has been working hard to make significant and needed improvements to the pre-architecture program.

Service

Service Goals for the Year (completed by June 1 by faculty member)

1. Continue work with children at Highland Church
2. Provide pro-bono design consultation for local non-profit
3. Provide consultation for Campus development (facilities/grounds), including accessibility, vision for master plan and development of a community garden

Reflections on Goals (completed by March 1 by faculty member)

1. My wife and I are currently co-teachers in the Sunday morning fourth grade class at Highland.
2. This work has slowed, but I now serve on the board of directors for the non-profit (CCC).
3. I have met with Kelly Young and Zane Dennis on a few occasions to discuss future plans and participate in the process of formulating a vision. I have also worked with the ACU Locavores in planning a community garden on our campus.
