To Whom It May Concern,

I am writing this letter as a reference for my professor, Mr. Brandon Young. I have known Mr. Young for four years, and have seen him as my professor, mentor, leader, and friend. He has been a great example to me in a variety of ways.

To begin, Mr. Young has always gone the extra mile for his students. From simply taking the time to make sure his students are learning and understanding class material, to challenging and pushing them to always do better, his students are always his top priority. In addition to being an excellent professor, Mr. Young has sacrificed his time by assisting student-led events such as service projects, providing mentorship, and through his mentoring, getting to know students on a whole other level.

When he was a faculty advisor for Project Merge, an ACU Art and Design home renovation project, I was able to interact with Mr. Young on a more personal level. I was able to see his passion not only for design, but also for his community. By investing his time in Project Merge, I was also able to witness Mr. Young's love for Jesus.

Mr. Young is also a man of great testimony, encouraging and uplifting his students daily to seek Christ in all we do. I know that Mr. Young is going up for tenure this fall, and I know that he is more than qualified for this position. In being an active member of Highland Church of Christ, he is a man of great testimony, committed to Christian education, service, and leadership.

In all, I recommend without reservation Brandon Young as a scholar, mentor, leader, and servant. If any more information is needed, please feel free to contact me.

Sincerely,

Gracia Ferreyro
