Joey Cope
Dean & Associate VP of Academics
ACU Dallas Campus

Dr. Cope;

This letter of support is provided as you move forward in expanding the Master of Liberal Arts (MLA) degree to the ACU-Dallas campus. I am excited that an on-line option will be available for those students wanting to pursue the unique creation of an individually crafted Master's program. The guiding principles you have proposed as an extension of the ACU-Abilene MLA degree should preserve the integrity and viability of the program. The resources available on your campus should have a positive impact on the enrollment.

Please let me know if you have questions as the approval process continues. I'm also ready for questions and input as the program is brought online.

Blessings,

Joe Cardot, Ed.D.
Director, MLA Program
