

Curricular and/or Degree Plan Changes

A = Approval I = Information

Course number: BIBM 703 or Degree Plan(s) _____

State the requested change and reason (a memo may be attached if more space is necessary):

Change the course title to "Preaching in Contemporary **Contexts**" (from "Preaching to Contemporary **Needs**"; changes noted in bold). Change the description to, "An analysis of current theories and methods of proclamation combined with the study of critical considerations in the development of the minister's theology of preaching in the contemporary culture. Emphasis on a variety of approaches to expositional preaching that let the Bible speak clearly in the **students' contexts**" (from, "...speak clearly to **contemporary needs**").

These proposed changes more closely reflect the second DMin program outcome, which reads, "DMin graduates will demonstrate an increased competence in reading, assessing, and interpreting varied cultural contexts of ministry."

Circle the number that corresponds to the requested change. (degree plan changes on other side)

♥ Supplement - A set of *required* courses in a degree program that are outside the university core, the degree core, and the required courses in the major field. Supplement courses are not elective in nature, and ordinarily do not include "menu" options (that is, a series of courses from which the student selects one or more).

♣ The university minimum for elective hours is 6.
