Course Number _____ or Degree Plan(s) M.Ed. in Teaching and Learning
State the requested change and reason. A memo may be attached if more space is necessary.

The current degree plan offers a choice between the following:

EDUC 622 Theories and Strategies for Integrating Technology or
CONR 615 Managing Conflict in Schools (3)

We have determined that the Conflict Resolution course is quite critical for these teacher candidates. Also, they are well prepared to integrate technology into their instruction so we feel that the course does not add enough to their preparation make it a valid offering. Therefore, we would like to eliminate the choice and designate CONR 615 as required for all students in this degree. |

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

- ‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.
- * All graduate degree plan changes must go through the Graduate Council.
- ** Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
