Course Number HIED 652 or Degree Plan(s) HIED

State the requested change and reason. A memo may be attached if more space is necessary.

We now have strong interest to make our Enrollment Management certificate program a track in our Higher Education master's degree. This was our goal from the beginning. To that end, we wish to incorporate the content from the Enrollment Management certificate into a 12-hour (3 course) track in the Higher Ed. Masters. This track aligns and is set up like the current Conflict Resolution track in the degree. No additional hours will be added, only content offerings for three courses will be different. With approval, students will choose between the conflict track and the EM track.

We believe this track will enhance the professional possibilities for our higher education students in a field with little to no credentialing (enrollment management). In addition, we believe this track will allow us to recruit a broader audience into our higher education program.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.
