Hi, Donnie —

The faculty handbook calls for an ex officio representative to UUAC from Grad Council. In the past, Sheila Jones both served on UUAC and as ex officio from Grad Council. Since she has rotated off, we have the opportunity for Lauren Lemley to serve in the same manner.

I'm bringing this up now so that you can have Grad Council discuss the question on Tuesday if you prefer not to double-dip Lauren's role or appoint someone else outright.

It will still be several weeks before UUAC meets, so there's some time to decide. Just let me know who we should include. Thanks! -j

Jessica Smith, Ph.D.
Assistant provost for curriculum and assessment
Associate dean, College of Arts and Sciences

Jessica

The Graduate Council meeting for next week has been cancelled; no agenda items. I will place this on the October graduate council meeting just as information only. I know the current graduate council members well, they will be glad someone volunteered and it is not them, ha. Lauren will make a good representative to UUAC, if Graduate Council in October has a different opinion I will let you know. Have a good weekend.
