Course Number _____ or Degree Plan(s) MMFT

State the requested change and reason. A memo may be attached if more space is necessary.

ADD TO ADMISSIONS REQUIREMENTS: A student who does not meet all of the admission requirements may be considered for admission, if space is available. At the discretion of the department chair, such a student may be placed on academic probation during the first semester.

RATIONAL: Numbers such as GPA and GRE scores are often helpful indicators of a student's readiness to pursue graduate study, but they are not perfect, and other graduate programs in the University vary as to whether and how to use such numbers. We want to allow some latitude for admission, when, based on oral interview and the total application dossier, our faculty judge an applicant to have a high likelihood of becoming a successful Marriage & Family Therapist, even though that student may fall slightly below one or more of our benchmark(s).

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about “Information” items. These items are approved as “Consent Agenda.”

² The Dean and Department should respond to the Provost’s recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU’s University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and “not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession” (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that “general requirements for graduation” means the enumerated items in the “General Requirements for Bachelor’s Degrees” section of the catalog.
