

Abilene Approval Chart for Curriculum Changes

A = Approve I = Information Item R = Respond In Writing

Course Number: KINE 604 or Degree Plan(s):

We would like to change the description of the course to allow for broader use across programs.

Current: This course involves experiential learning. The student will gain experience in a collegiate performance center under the supervision of an Approved Mentor. The internship will be at least 320 hours over the course of a semester.

Proposed: This course involves experiential learning. The student will gain experience under the supervision of an Approved Mentor.

Rational: Number of hours for an internship should be managed through the mentoring process, not a catalog requirement.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
