Course Number: _____ **or Degree Plan(s):** MSSCHP

Current: KINE 503- Ethics in Sport and Recreation Management is required in the MSSCHP degree plan.
Proposed: Students will choose between KINE 503 or KINE 501- Legal Aspects of Sport and Recreation Management.

Rational: This will give students a choice between two very important topics in the profession. It will also allow students to choose classes that fit their schedule.

Current: PSYC 542- Applied Sports Psychology is required for the MSSCHP degree plan.

Proposed: Students will choose between PSYC 542, 624, 646, or 669 to fulfill the MSSCHP Degree plan.

Rationale: PSYC 542 is the top choice for this degree plan, but has not been offered in some time. Social Cultural Bases of Behavior (624), Lifespan Development (646), and Human Learning and Cognition (669) are all courses that would benefit a future S&C professional and therefore would count toward completion of the degree.

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
