Course Number: SOCW 682 Foundation Field Practicum II or Degree Plan(s):

Rationale: The MSSW faculty identified the need to tweak the current course based on new secondary accreditation standards. The profession is also moving away from the term “field” when identifying clinical practicum work. The course title, student learning outcomes, catalogue description have been updated to reflect content more accurately. Additionally, we reduced the credit hours to decrease the overall number of hours within the degree plan. The current 64-hour degree plan of credit hours is more than competitive schools, which impacts recruitment.

New Course Title: SOCW 682 Generalist Social Work Practicum II
