Course Number: OCCT 722 **Degree Plan(s):** Occupational Therapy Doctorate

OTD capstone project development begins in the first semester of the OTD curriculum and continues into this course OCCT 722 Capstone Seminar 2. Currently the students are graded on a traditional letter grade scale. This proposal is to move the capstone project development courses to Credit/No Credit grading. The courses OTD I-V are sequential and credit is based on the completion of milestones each semester. Assigning a letter grade is difficult as each project is variable and the objective is not to attain a certain grade but rather to meet expectations set forth by the program through these milestones. At this time OTD V (the final course in this sequence) is a CR/NC course.

Students would receive Credit for this course OCCT 722 through meeting the following objectives which are currently the course outcomes:

1. Literature review (Capstone document Chapter 1) completed and approved by capstone coordinator and faculty mentor.
2. Successful presentation of updated experiential goals

Notes

² Any change to a cross-listed course requires the signature of both department chairs or program directors overseeing the course to ensure that the courses stay in sync. This includes courses taught at other campuses (e.g. BIBL 101 and BIBO 101).

³ For undergraduate majors, a minimum of 30 hours is required. These programs must have a minimum of 6 elective hours, unless the requirements of external accrediting bodies make it impossible. Master's programs must include a minimum of 30 hours, and doctoral programs must include a minimum of 30 hours beyond the master's.

⁴ When a department/school or dean proposes closing a program, approval routing follows the typical process beginning with the department/school. An administrative proposal by the provost or senior vice president for academic affairs would follow the "provost-proposed" routing on the chart.
