4 - American Airlines

The screenshot shows the American Airlines website interface. At the top, there's a banner for 'LAS VEGAS NEVADA' and a promo code 'VEGAS75'. Below the banner, the user is logged in as 'STEPHANIE KNIGHT' with ID '898RM368'. The 'Book' tab is selected, and the 'Corporate booking' option is highlighted with a red box. The 'Flight' tab is also selected, and the 'Round trip' option is chosen. The 'From' and 'To' fields are empty, and the 'Depart' and 'Return' fields are set to 'mm/dd/yyyy'. The 'Search' button is visible. The 'Bag and optional fees' section is expanded, showing 'Changes to checked bag fees and allowances' and 'Carry-on allowance changes for Basic Economy'.
