To: ACU Faculty and Staff
From: Financial Operations, Accounts Payable, University Purchasing and University Warehouse
Date: April 7, 2025
Subject: Banner Fiscal Year-end Close-out Dates and Prepaid Expenses

This memo includes important information and dates to help you know the procedures for closing out fiscal year 2025 on May 31, 2025. Please read and keep this information to assist in your year-end planning and purchasing. You can also subscribe to our [Accounting and P-Card Calendar](#).

Concur Purchasing Cards (P-Cards) & Travel Cards

Purchasing card and travel card transactions are recorded in Banner when the expense report has been submitted and approved in Concur. All transactions with a posting date on or before May 31, 2025, which have not been submitted and approved, will be recorded in Banner by journal entry to your fiscal year 2025 budget on June 5 (exception of travel with trip dates on or after June 1 - see below).

This means that if you use your p-card to make a purchase on May 29 and it posts to your card on May 31, it will be charged to your fiscal year 2025 budget (the current fiscal year). Keep in mind that it may take 2 – 5 days for a credit card transaction to post to a statement report in Concur. Therefore, any important or time-sensitive purchases that need to be charged to fiscal year 2025 should be made in the earlier part of May to avoid the transaction being posted as a fiscal year 2026 expense.

Please go online to www.acu.edu/concur and reallocate all p-card and travel card transactions no later than Wednesday, June 4 at 5 PM. Please complete and submit CBS expense reports in Concur by May 16, 2025 for all p-card expenses through April 30, 2025. Supervisors should approve all expense reports through April 2025 no later than May 23. On June 5, May 2025 p-card expenses will be recorded in fiscal year 2025 and will be charged to your fiscal year 2025 budget by journal entry to the FOAPs assigned per transaction in Concur Expense.

Please complete and submit all travel expense reports for completed business travel by May 16, 2025. Supervisors should approve expense reports no later than May 23. For future trips that have not been completed, please create an expense report in Concur Expense and add any expense transactions that you have already incurred to the report. This will allow us to reference the trip dates (shown below) and ensure that all expenses are recorded in the correct year. The report trip dates are reported in a Concur travel expense report under Report Details → Report Header information. Travel with trip dates in fiscal year 26 should also include “FY26” in the expense report name. Please see the Concur Report Header example below:

Report/Trip Purpose	Report/Trip Name *
Conference X v	FY26 Conference
Report/Trip Start Date *	Report/Trip End Date *
08/04/2025	08/08/2025

Any travel expense paid on or before May 31, 2025 will be recorded as follows:

- If the travel occurred on or before May 31, the travel expense will be recorded in fiscal year 2025 and will be charged to your fiscal year 2025 budget by journal entry.
- Expense reports with trip dates occurring on or after June 1 will be considered prepaid and will be recorded in fiscal year 2025 as prepaid travel expense by journal entry. Prepaid travel expenses will not affect your fiscal year 2025 budget.

Reminders for Making Purchases Near Year-end

- Receiving in Banner: Remember to complete the receiving entry on Banner Form FPARCVD by May 28 for all items received in your office in May. *As a reminder, it is against ACU policy to complete the receiving entry on FPARCVD on items that have not been delivered to your department or for which services have not been completed.*
- Budget revisions and journal entries specifically for requisitions: If budget revisions or journal entries are required to complete requisitions by the cut-off date and input is required by Financial Operations, these entries must be submitted to Financial Operations by Friday, May 9 at 5:00 p.m. Please submit these as soon as possible to allow adequate time for the entries to be completed when making end-of-year purchases.
- General journal entries for fiscal year 2025: If you are inputting journal entries into Banner for fiscal year 2025, they should be completed by May 31 at 5:00 p.m. After May 31, any journal entries for fiscal year 2025 should be forwarded to Financial Operations by June 10 for entry.
- Invoices: Submit all invoices with an invoice date of May 31, 2025 or prior to the Accounts Payable office immediately upon receipt. Even though an invoice is submitted after May 31, 2025, if goods or services have been delivered or completed by May 31 or earlier, the invoice will be accrued and will appear as an expense on your fiscal year 2025 budget.

Prepaid Expenses in Accounts 1626 and 1661

If your department codes *eligible* transactions to prepaid expense account codes 1626 or 1661 for items *paid* prior to May 31, 2025 (in fiscal year 2025) for services that will be provided by vendors after May 31, 2025 (in fiscal year 2026), Financial Operations will transfer those items out of the prepaid expense accounts and into operating expense accounts in June 2025. Your department does not need to make any journal entries to transfer these costs from prepaid expense to expense accounts in the new year. These items will appear as fiscal year 2026 expenses and will count against the department's fiscal year 2026 budget. All transactions directly coded to prepaid accounts will be reviewed to ensure they are eligible prepaid expenses. Expenses that are not eligible prepaid expenses will be recorded as an expense to your fiscal year 2025 budget.

Any expenses greater than \$5,000 *paid* in fiscal year 2025 (before June 1, 2025) will be reviewed to determine if the item is a prepaid expense (for services that will be provided by vendors after May 31,

2025). If the charge is a valid prepaid expense it will be recorded in account 1626 or 1661 and will not be recorded as an expense in fiscal year 2025. All appropriate prepaid expenses will be transferred to operating expense accounts in fiscal year 2026 and will count against the department's fiscal year 2026 budget.

For prepaid expenses paid by p-card, you will need to allocate your p-card purchase to your expense FOAP and submit a journal entry to Financial Operations by Tuesday, June 10 to record the purchase to the appropriate prepaid account. Journal entries must include documentation supporting the request for prepaid expenses.

Payroll Posting Dates

The following payrolls will be recorded in fiscal year 2025.

Payroll ID	Payroll Date/ Posting Date	Applicable Fiscal Year
BW 10	May 9, 2025	2025
BW 11	May 23, 2025	2025

If you have any questions, contact Financial Operations at ext. 2180.

Frequently Asked Questions

Q: What budget year will my card expenses be charged to?

A: All card expenses with a posted date 5/31/25 or prior will be expensed to FY25, except for travel reports with a trip start date on or after June 1.

Q: I made a purchase on May 20 but the posted date is June 2. What budget year will this expense post to?

A: With a post date after May 31, this expense will post to FY26.

Q: I paid for my flight on March 10 but the flight is on August 7. What budget year will this expense post to?

A: If the Trip Start Date information is saved correctly as August 7 in the expense Report Header, the expense will be posted to FY26.

Q: How do I add/edit the trip dates on my travel expense report in Concur?

A: In your Concur travel expense report, click on Report Details and Report Header. Select the Trip Start & End Date. Save any changes to the report header as needed.

Report/Trip Purpose	Report/Trip Name *
Conference X v	FY26 Conference ?
Report/Trip Start Date *	Report/Trip End Date *
08/04/2025	08/08/2025

Q: I normally have 15 days to submit a p-card CBS expense report. What is the timeline for my May p-card CBS expense report?

A: Please have all transactions on your May 2025 CBS p-card expense report **allocated** appropriately by Wednesday, June 4 at 5 PM.
