Instructor	Text Responses
Question: Strengths:	
Drachenberg	Great at breaking information down in a very understandable way.
Drachenberg	Truly a fantastic teacher. Great at holding student attention and making lectures and material interesting. Grades are returned in an amazingly short time. Amazing at relaying the material in a matter that it can be understood, and patient in re-explaining it in a different way if the subject matter was not understood. Always willing to go out of his way to meet with students and help them understand the subject matter.
Drachenberg	Dr. Drachenberg's class is very difficult, but not because he doesn't give students ample opportunities to learn. He is always available for help. He allows students ask questions in class anytime they need and often asks if any students need help. He also gives quizzes and tests back the next class day. He tries his best to allow students to understand the material, and often times I understood the materials. I only had questions a couple of times, and every time I went to his office he was there to help. Dr. Drachenberg also tries to make the subjects interesting for the students by doing in class demonstrations, these also helped me understand the material.
Question: Weaknesses:	
Drachenberg	none
Question: Additional Comments:	
Drachenberg	I really found the lecture recordings extremely helpful. I think the only thing that should change is the online quiz that is due every week have a longer time frame.
Drachenberg	One improvement for the class could be to give us the equation sheet for the test as we are doing the homework. This would have helped me prepare for the test.
Question: Areas to improve	
Drachenberg	Only thing that could make this course better or improved is the time allotted for online assignments. I understand the reasoning for these deadlines though with a crazy schedule and juggling many things having an assignment opened for less than two days can be stressful.
Question: COURSE / INSTRUCTOR WEAKNESSES:	
Drachenberg	Lectures, organization skills, Kindness, and wow I have never had a professor return my grades so quickly.
Drachenberg	Instructor is awesome, he really cares about his students learning.
