Congratulations on completing all of the components for the Master Teacher program! This is especially impressive considering this bizarre semester we just finished!

You will receive a certificate of completion.

Laura Carroll is notifying your chair and dean about your completion of Master Teacher.

Also, one of our very favorite parts of Master Teacher is that the Adams Center treats each person who completes the program to a nice dinner at a local restaurant. Dr. Rhodes joins us for this dinner because he likes to personally recognize each person who completed the program. We typically plan this dinner for the end of April and obviously that wasn't possible. Our plan is to invite you all to a celebratory dinner in a few months when it feels safe and appropriate.

Thank you for your perseverance and commitment to excellence!

Congratulations!
Amy
