Jim,

The Adams Center is hosting a reading group on [Small Teaching Online](#) this fall, and I wondered if you would be interested in co-leading it with Shelly Sanders.

With reading groups, we usually have 4 sessions, one per month. I'd love to host these sessions as some of a handful of in-person in the Adams Center sessions we're trying this semester. These sessions would be during the noon class slot, with limited capacity to maintain physical distance, RSVP and mask required, and a boxed lunch at the conclusion of the session.

Let me know if you're interested, as well as any questions or concerns I can address.

Thank you so much for considering it and thank you so much for your work as an excellent teacher.

Laura
