

OLDHAM LANE CHURCH OF CHRIST

November 26, 2019

Dear Jim Drachenberg,

Thank you so much for teaching in 2020! **Our Bible classes are about making and growing disciples and you play an important part in that with your class!**

Here's what we have you scheduled to teach:

- **"Not Just Kid's Stories"**
- **Jan. 15, Feb. 26 (See attached schedule)**
- Class Description: *We teach children all the stories of the Bible, but by the time people are adults, we hardly mention them. What can adults learn from reexamining some of the great stories of the Bible? Each week, learners will dig into a different story and go deeper than the children's classes to unearth the riches of God's Word.*
- **"Haggai: The Presence of God"**
- **Sundays, July-September in the YAK Class**
- Class Description: *"I am with you, declares the Lord". In a fallen world, in which it is often difficult to feel God's presence amid trials of various kinds, the message of Haggai to the church is the promise of the presence of God.*

Here are the resources we have for you:

- Truth for Today Commentary: The Minor Prophets 2: The Book of Haggai & Malachi New International Commentary on the "2020 Teacher Resources" shelf in the library.
- If you could use another resource, just let me know.
- Let me know if you need anything printed.

We would like to ask you to do three things while you teach:

1. **Welcome visitors** – let's make people feel so glad they chose to visit Oldham Lane. We don't want to embarrass anyone, but we sure don't want to ignore anyone.
2. **Plan ahead with technology** – If you're going to use technology (Power Point, laptop, tablet...), please let me know in advance if you need any help making sure it will all work. Also, please come early to get set up and make sure everything's working. You can email me at jsledge@olcoc.com or call or text me at 325-665-5165 to let me know if you have any technology needs.

****Auditorium teachers:**
 - Email slides to slides@olcoc.com and put "Sunday/Wednesday Auditorium Class" in the subject line. They will set them up for you and hand you the remote and mic.
 - The elders have decided that we won't do questions and comments in the auditorium because the setting doesn't allow for this to work well. We value that but do that in our other classes. Please state that on the first day as a reminder.
3. **If you need a sub:** Please give me as much advanced notice as possible so I can get a sub for you. You can then coordinate the lessons with your sub. I have a list of approved teachers we use.

Thank you for teaching! Thank you for devoting the time to study and prayer to prepare for your class. If you need help with anything, just let me know.
