Dear Jim Drachenberg,

Thank you so much for teaching agreeing to teach in 2019! Our Bible classes are about making and growing disciples and you play an important part in that with your class!

### Here's what we have you scheduled to teach:

- "His Word"
- Wednesdays, September 4 – October 30
- In the auditorium class
- Class Description:  
*You'll be teaching weeks 36- 44 in "His Word". This covers Philippians 2 – James 3. The goal is to select something from each week's scriptures to focus on. The goal is not to teach the entirety of the weekly scriptures.*  
*"His Word" is also being used in the Sunday morning sermons, so students will have at both opportunities to study the weekly selection.*

### Here are the resources we have for you:

- "His Word" pdf
- "His Word" book

### I'd like to ask you to do three things while you teach:

1. **Welcome visitors** – let's make people feel so glad they chose to visit Oldham Lane. We don't want to embarrass anyone, but we sure don't want to ignore anyone.
2. **Plan ahead with technology** – If you're going to use technology (Power Point, laptop, tablet or anything like that), please let me know in advance if you need any help making sure it will all work. Also, please come extra early to get set up and make sure everything's working. You can email me at [jsledge@olcoc.com](mailto:jsledge@olcoc.com) or call or text me at 325-665-5165 to let me know if you have any technology needs.

**\*\*If you are teaching in the auditorium,** you can email your slides to [slides@olcoc.com](mailto:slides@olcoc.com) and put "Sunday/Wednesday Auditorium Class" in the subject line. They will set them up for you and hand you the remote to run them. You will also be given a lapel mic to use.

**\*\*If you are teaching in the auditorium class,** we have decided not to ask and answer questions because the setting doesn't allow for this to work well. We value that but do that in our other classes. We recommend kindly stating that on the first day as a reminder.

3. **If you need a sub:** Please give me as much advanced notice as possible so I can get a sub for you. You can then coordinate the lessons with your sub.

Thank you for teaching! Thank you for devoting the time to study and prayer to prepare for your class. If you need help with anything, just let me know.

Jake Sledge
