Are You Getting Emails & Text Message Alerts?

We want to make sure everyone is staying well informed as we make changes to our worship and fellowship times. Please make sure you have the correct emails and cell phone numbers listed in the Elexio directory to ensure you receive updates from us! You may also want to check any junk or spam folders for our emails.

If you cannot update this information yourself, through the app, please notify the office by emailing info@olcoc.com or calling 695-0055.

LORD'S SUPPER

If you are continuing to stay home at this, we have individual communion available at the church office. If you need these delivered to you, please let us know!

CONTRIBUTION

Contributions can still be mailed in or dropped off at the church building. Another option is to use Elexio and set up online giving. This process can be done through our secure portal located at <https://olcoc.com/giving>.

HELP AVAILABLE

As been noted many times, seniors and those with underlying health conditions should take extra care during this time. As a result there will be some with additional needs for help. Several have offered to help with shopping, delivering items, or providing whatever help they can.

THE OLDHAM LANE FAMILY Welcomes YOU.

Thank you for visiting! We welcome you and hope you're blessed by your time here. If you have any questions or needs, please let us know.

Who We Are

We are a warm, loving, dynamic and growing family of God's children. We're regular people just like you. We don't claim to be perfect, we are sinners saved by the grace of God. Our goal is to be Christ-like and to live Christ-centered lives. We love the Lord and His family, and we want to please Him in all that we do.

What to Expect

We have Bible classes for all ages. They are about 45 minutes long. Worship in the auditorium is about an hour. You'll notice we sing a cappella, which means we sing without instruments. We'll have some prayers and partake in communion, which is about remembering the death, burial and resurrection of Jesus. Then, we'll have our sermon taken from the Bible. We always give an invitation for people to respond at the end of the sermon. This is a time for someone to come forward and ask for prayers or be baptized. You're also welcome to visit with an elder or minister.

What about Kids?

We love kids, so you can relax and just enjoy class and worship. We have an attended nursery for babies through 2 years old. Parents also take their children in the foyer if their child is wiggly or fussy. This way, parents can still hear the worship service while their child can get their wiggles out or feel better. We also have provided a room for nursing mothers where you'll have privacy and can still hear the worship service.

We're so glad you're with us today. If you have questions, need prayers or if we can help you in another way, please let us know.
