

27 April 2012

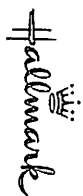

Dr. Elliott,

It is with my sincerest appreciation that I invite you to join my family in celebrating my upcoming Graduation on Friday, May 11th at six pm at Copper Creek restaurant.

Over the past couple years, I have greatly enjoyed your class and lectures and your ability to present the great value of historical information in an exciting way. Graduation is a joyous occasion, although I must admit that I will miss your enthusiasm.

If you are not free to join us, please know that I am very thankful for your guidance and support.

Sincerely,
Jessica Back
