Emi Alisa Johnson

Sincerely,

Dr. Elliott,

Thank you for writing letters of recommendation for me over the course of this semester. I truly appreciate your generous offering of time and energy.

Also, I would like to thank you for all of your support and aid regarding the Phi Alpha Theta Biennial Convention. I have learned so much through this process, and your input on the paper is extremely helpful.

Furthermore, thank you for the advice and encouragement that you gave to me at the Graduate School Workshop in November.

Following your guidance, I have exchanged three PhD programs for Masters.

Dr. Elliott, thank you for encouraging my passion for history. The Recent Europe class has confirmed my interest in Modern British History. Thank you for helping me turn this interest into a career.
