Dear Dr. Kelly Elliott,

We are pleased to inform you that your presentation "Indian Responses to Christian Missions in Bengal, 1795-1850" has now been scheduled in the program for International Conference on Religion and Spirituality in Society.

Your session details are:

When: 11:40 AM on Wednesday 16 February

Where: Room 1.

Session Type: 30 minute Paper Presentation

Equipment Requirements: We will provide data projectors in all of our session rooms. We do ask that delegates bring their own laptops.

This schedule may be subject to change of time, although it is most unlikely that there will be a change of day. We will send you a notification if there is any change.

We request all presenters pick up their badges at least half an hour before the commencement of the days program on the day their presentation has been scheduled. If your badge has not been picked up by then, we will assume you have not been able to attend the conference and we will cancel your session. This is in order to avoid the possibility of participants attending a session where the presenter does not appear, and to give other participants adequate warning that the session will not go ahead.

If you have any queries then please contact me through the above address.

Please quote proposal ID N11P0169 in any correspondence.

Kind regards,
Jenna Stoia
Conference Producer
