

July 2015

Dear Dr. Cha,

CONGRATULATIONS! It brings me great pleasure to let you know that you have been recognized during the 2014-15 academic year by one or more ACU students as having made a significant impact on their lives.

For those of you that are new to this accomplishment, the ACU Stewardship office contacts every student who received a scholarship funded by an endowment. The students are given information about the endowment and the donors who made their scholarship a reality and are asked to respond by filling out a questionnaire and writing a letter of gratitude.

Embedded in the questionnaire is a statement for them to complete that reads, "*An ACU Professor who has impacted my life in extraordinary ways is...*" and that's where YOUR name was mentioned:

Brett – Dr. Kilnam Cha in his Old Testament class where he showed me what it really means to walk the walk. I loved his class.

The ACU Promise reads, "ACU is a vibrant, innovative, Christ-centered community that engages students in authentic spiritual and intellectual growth, equipping them to make a real difference in the world." You are obviously living out that promise by the way you are impacting students on a daily basis. I thank you for the way you are touching lives and helping prepare ACU students both academically and spiritually to go out into the world and make a difference. Without a doubt, they will make a difference in the world because you made a difference in them.

With sincere appreciation,

Barbara (Tubbs) Hejl '71
Senior Stewardship Coordinator

Well done!
