Dear Dr. Cha,

KUDOS TO YOU! I am pleased to inform you that you have been recognized by one or more of your students this past year as having made a distinct difference in their lives.

This recognition stems from a questionnaire that scholarship recipients complete along with their gratitude letter to the donors of the endowments that funded their scholarship(s). Embedded in that questionnaire is a statement for them to complete that reads, *"An ACU Professor who has impacted my life in extraordinary ways is..."* and that's where YOUR name was mentioned; this is what they wrote:

"Dr. Kilnam Cha took another student and myself to China last summer. Through the new culture and experiences, I have discovered that I want to spend much more time ministering to the people of China." -Bryn Cannon Spears

"Professor Kilnam Cha was my Bible professor last spring. He always came to class with a positive attitude and showed a real passion for why he did. His dedication encouraged me to become more involved." -Jonathan Parker

"This summer I had the chance to travel to Korea and China with Dr. Kilnam Cha from the Bible Department on a mission trip. His guidance and experience as a native of Korea was such an awesome asset to our experience. We taught English and spent time supporting local churches during our five-week stay in Asia. My eyes were opened to so many new experiences and I am so thrilled to have been able to walk alongside a wonderful ACU professor for the entire trip!" - Kyndal Coleman

I can't think of a higher compliment than to have one of your students applaud you straight from their heart. It is clear that you are doing exactly what God intended. ACU is extremely blessed to have you representing Christ's love to students on this campus. Thank YOU for being an important part of *"The ACU Difference"*.

With sincere appreciation,
