Carisse Berryhill, Mac Ice, et al continue to hit the ball out of the park. The collections of the Center for Restoration Studies continues to grow at a rapid rate. Outstanding content is added to the web site on a regular basis.

If you want to learn about T B Larimore, Marshall Keeble, Carl Ketcherside or about any else of prominence in Churches of Christ this is the place to start.

Articles and books written by myself or anyone else tell one part of the story but primary sources may tell another tale.

Don't forget it takes money to maintain and expand these collections. If you love history, your money will be well used.

All the best,

Terry
