Mac,

On behalf of my students and myself, I want to once again extend my gratitude for taking the time out of your day to talk with my class. Your instruction and walkthrough of the books was, quite simply, fantastic. In fact, two of my students made a point to inform me that today was "best class they have ever had." Today truly brought something special into their lives!

On another note, I'll be in touch with you soon regarding the scholarly project that spins off of my time teaching texts from medieval Ethiopia. I want to make sure that you see and sign off on any mention that I make of your presentation and the books in the ACU collection before anyone else sees the article.

Thank you again. Next time I make it down to Abilene (a prime vacation destination for me, in truth), dinner of your choice will be on me.

Cheers,

Perry
