

Teacher of the Year Tattoo Service

Every year, to reward our Teacher of the Year recipients, Abilene Christian University and the College of Business Administration offer **free “Teacher of the Year” tattoo designs and tattooing!**

You can choose from any of the free designs below. Recently, a popular choice has been to get the face of your department chair or our beloved university president, Phil Schubert, tattooed to your body.

(Multiple award winners must pay 50% of the tattooing service for additional tattoos).
