- What does your wife say about your ties?
- Dr. Jessup is a great professor who really helps his students understand what is going on in the class and engages his students very well. He makes himself extremely relatable and personable, which is refreshing, to be treated like an adult and not just a kid. He tests very hard but clearly has very high expectations that are known from the beginning of the course.

What specific actions and attitudes did you notice from your instructor that demonstrated his/her Christ-like character and conduct? -
