KEY:

Student Learning Outcomes (SLOs) for DBMM majors:

Majors will demonstrate:

- 1) Practices of personal and communal spiritual formation.
- 2) Knowledge of the broad scope of the Christian tradition.
- 3) Facility in biblical interpretation.
- 4) Critical analysis of cultural contexts.
- 5) Integration of their learning into the reflective practice of ministry.

SLOs for Gen Ed students:

All ACU students will:

- 1) Understand the basic message of the biblical text, both Old and New Testaments.
- 2) Gain experience in interpreting and applying the Bible from historical, literary, and theological perspectives.
- 3) Acquire ministry skills and/or knowledge of various global and cultural contexts that encompass and challenge the Christian tradition.
- 4) Integrate their learning into a sense of mission within their chosen vocation.

Criteria for Gen Ed Bible elective:

Courses offered in this category will be included in the menu based on any of the following criteria:

- 1) Examine *biblical content* either not covered in the required foundational courses or go into greater detail on a particular topic of interest to students.
- 2) Expand specialized *ministry knowledge and skills* that will enhance a student's service or leadership in the world.
- 3) Explore *topics in religious studies* that deepen a student's understanding of major developments in Christian History and Theology, as well as other World Religions and Philosophy.
