NURS 464 as the Capstone course.

**Motion to approve by Reese; seconded by Jones; all in favor; none opposed; 1 abstained; motion passes**

PSYC Capstone

The student could opt out of writing the measurement that fulfills the Capstone requirement. There is uneasiness about not specifically addressing faith. The assignment should be revised.

**Motion to send back with recommendation with the paragraph or something equal to it be inserted into the syllabus-Reese; motion dies**

The assignment is not clear so that council can tell that the requirement is met.

CHEM/BIOCHEM – Need syllabus – No capstone

ENGR, PSYC, POLS, KINE – No capstone

SW/SOCI – Curriculum revision – No capstone
