Action Items

III. Approval of the minutes from 10.23.13

Motion to approve by Reese; seconded Nichols; all in favor; none opposed; motion passes

IV. BIOIL/CHEM/COMP 308 – Cultural Awareness Requirement

Cynthia presented this proposal. This course has previously been taught as a study abroad special topics course. The council discussed and decided that it would be beneficial to offer the course on campus as well as abroad. The course focuses on health care and medical missions and is mainly taught, but not limited to pre health students. This course fits the culture awareness requirement because it concentrates on different communities and cultures in a health care setting.

Everyone is in agreement that it fits the Cultural Awareness requirements and approves the course if the study abroad wording is removed. This approval is contingent on the approval of the UUAC.

Motion to approve by Dodd; seconded Austin; all in favor; none opposed; motion passes

V. Closing UNIV 100, CORE 203, and CORE 220

N. Jordan presented these courses. Joe mentioned that Willard Tate taught CORE 203 and when he retired the class did as well. There was no further discussion on the courses.

Motion to approve by Austin; seconded Garver; all in favor; none opposed; motion passes
