Re: PEAC 204 Application

Dear Jackie,

The Adams Center has completed the review PEAC 204: Modern Dance. The syllabus was reviewed based on the ACU Syllabus Guidelines. The syllabus proposed meets or exceeds the expectations described in these guidelines.

This syllabus was well done. We have no suggestions for improvement. The rubrics are complete, the assignments are linked directly to the student learning outcomes, and students should have no question how their performance will be assessed.

We are here to serve you as you help prepare students for Christian service and leadership throughout the world.

Grace and Peace,

David Christianson
