### EDUC 211 Educational Foundations and Multicultural Perspectives

State the requested change and reason. A memo may be attached if more space is necessary.

**We would like to change the prerequisite to limit the course to those seeking certification. Others may enroll with departmental approval.**

Current Prerequisite: sophomore standing

Proposed new prerequisite: Sophomore standing and a declared major including teacher certification; other majors may enroll with Teacher Education department approval.

We have had an increasing number of students taking the course as a free elective, even at the senior level, who have no interest in certification. This is detrimental to the climate of the course. In addition, this course includes the introduction and applications to the Teacher Education Program and the initial program field experience. Students cannot proceed in their degree plans without this introductory course. It is critical that spaces be available for students who need the course for their degree plan.

**Circle the number that corresponds to the requested change. Degree plan changes are on the second page.**

\* Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

\*\*Courses offered only to students seeking teacher certification must go through the Teacher Education Council.

Note: When an academic unit does not have a council, the UGEC and/or UUAC will serve as its academic council, depending on the nature of the issue.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

‡ Program or course changes applying to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

\* All graduate degree plan changes must go through the Graduate Council.

\*\* Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and corequisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

Note: The Board of Trustees is informed when a major or degree is added or discontinued.
