Course Number SPAN 301 or Degree Plan(s) _____

State the requested change and reason. A memo may be attached if more space is necessary.

Drop SPAN 301 from Cultural Literacy menu of University Requirements.

While this course is a good fit for this menu, the department was not aware the course would only be able to count for either the University Requirement or the major/minor, but not both. Since it is more necessary for the major/minor, the department wishes to have it withdrawn from the University Requirement menu.

See attached email exchange regarding rationale clarification.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.

¹ Councils may request additional information about "Information" items. These items are approved as "Consent Agenda."

² The Dean and Department should respond to the Provost's recommendation to close a program in writing. Advise & Respond (R) requires that the voting body should receive the written responses at least one week prior to the vote.

³ All courses that meet University Requirements for general education must go through UGEAC. Courses or degrees offered only to students seeking teacher certification must go through the Teacher Education Council. All undergraduate changes must go before the UUAC. All graduate degree plan changes must go through the Graduate Council.

⁴ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g., BA, BS). The university minimum for elective hours is 6, unless the requirements of external accrediting bodies make it impossible.

⁵ Program or course changes that apply to any major that includes Teacher Certification will be reviewed by the college, the Teacher Education Council (TEC), and then the UUAC.

⁶ Courses that satisfy ACU's University Requirements (General Education) will normally have lower-level numbering, be free of prerequisites and co-requisites, appeal to more than one or two majors, and "not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession" (SACS 2.7.3). Departments may request exceptions to the first three criteria.

⁷ The UUAC approved the clarification that "general requirements for graduation" means the enumerated items in the "General Requirements for Bachelor's Degrees" section of the catalog.

SPAN 301 and GER 341 Proposals

Cole and Paul -

After reviewing your UGEC proposals, Jessica asked me to reach out to you to clarify some misunderstandings. Your rationale to remove SPAN 301 and GER 341 from the general education menus included the argument that courses cannot count toward both a major/minor and the general education. However, that is not the case. They can.

In fact, SPAN 301 has an * by it in the the Spanish major degree plan showing that its hours count toward General Education, so the hours are not counted again in the major. The course itself counts for both the major and gen ed, but the hours only count once in the degree plan.

Do you still wish to have these two courses removed from the gen ed menus? Or does the fact that the courses can count both toward gen ed and minors/majors make the proposals unnecessary?

Thank you!

~Karen
