Rationale

The content of the course has reflected the work done in a standard Typography II course for as long as I have known it. The course was named in the mid 1980's and is unique to ACU. Changing the name and description would unify it with graphic design programs across the nation. The content will not change.

Current Course Name and Description:

ART 352 Digital Graphic Techniques (2-4-3), fall, spring. An introduction to computer aided design with emphasis on InDesign and Photoshop. Continuing emphasis on problem solving in relation to electronic message making. Prerequisite: ART 351.

Proposed Course Name and Description:

ART 352 Typography II (2-4-3), fall, spring. An advanced exploration of the formal resources, systems, conceptual principles and procedures underlying the practice of typography. In addition, students will be introduced to computer aided design with emphasis on InDesign and Photoshop. Prerequisite: ART 351.
