A = Approval I = Information

Course number: ART 457 or Degree Plan(s) _____

State the requested change and reason (a memo may be attached if more space is necessary):

Because of the current landscape of the graphic design discipline we no longer think it's responsible to give students the option of not taking the interactive design course (ART 457). Regardless of what area of the discipline a student finds employment ~~it~~ ^{in, it is} highly likely they will be asked to perform to some degree in the area of interaction.

See attached for degree change.

Circle the number that corresponds to the requested change. (degree plan changes on other side)

♥ Supplement - A set of *required* courses in a degree program that are outside the university core, the degree core, and the required courses in the major field. Supplement courses are not elective in nature, and ordinarily do not include "menu" options (that is, a series of courses from which the student selects one or more).

♣ The university minimum for elective hours is 6.
