Course Number _____ or Degree Plan(s) **A.A. Pre-Architecture**

State the requested change and reason. A memo may be attached if more space is necessary.

The lower-level, foundational courses and course sequence for the Interior Design and Pre-Architecture degree programs are being revised in an effort to better provide a common body of knowledge shared between the disciplines. The A.A. Pre-Architecture maintains the current credit hour requirements with the implementation of three new courses that have been developed to replace previous requirements. Course numbers and titles have been revised to provide clarity and consistency throughout the DSGN course sequence.

Circle the number that corresponds to the requested change. Degree plan changes are on the second page.
