Course number: \_\_\_\_\_ or Degree Plan(s) \_\_\_\_\_ Minor in Interior Design \_\_\_\_\_

State the requested change and reason (a memo may be attached if more space is necessary):

A Minor in Interior Design would allow a student earning another degree to add specific interior design industry content to their preparation. The minor would facilitate preparation for industry specific marketing positions such as a manufacturer's product rep, tenant development, real estate agent, building owner, code compliance officer, historic preservationist, community development, as well as entrepreneurial retail interests. The menu of choices for 6 of the required 21 credit hours, provides this flexibility.

Circle the number that corresponds to the requested change. (degree plan changes on other side)

\* In most cases approval by only one council is necessary.

♦ A minimum of 30 hours is required for a major. A maximum is specified for each degree (e.g. BA, BS). The maximum in the major must allow for at least 6 hours of electives.

♥ Supplement - A set of *required* courses in a degree program that are outside the university core, the degree core, and the required courses in the major field. Supplement courses are not elective in nature, and ordinarily do not include "menu" options (that is, a series of courses from which the student selects one or more).
